WHO BENEFITS FROM A SEXUAL INTEGRITY MINISTRY?

When a church addresses sexual integrity, it's not just the individual who is impacted. It's the entire church. Here is how everyone benefits:

PARENTS

Gain confidence, tools, and conversations to walk with their children, protect their hearts, and build stronger, healthier families.

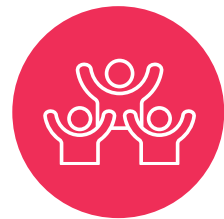

FRIENDS

Creates a culture to where friends welcome authenticity, honesty, accountability and support. Friends learn how to walk alongside the one struggling.

SPOUSES

Builds trust, strengthens marriages, and brings healing to relationships that have been hurt by sexual sin and secrecy.

YOUTH

Teaches them to value their identity in Christ, make healthier choices, and resist cultural pressure.

MEN

Provides support, accountability, guidance and a clear pathway to healing. Helping them become the men, husbands and fathers God designed them to be.

CHURCHES

Builds a healthier and more prepared church body. Equips leaders and creates a lasting ministry that reaches beyond Sunday morning.

THE PROCESS

OUR STORY

Peace Lutheran, August 2026

In 2017, I started the website theonelostsheep.com as a blogger, simply trying to bring awareness to the dangers of pornography.

Over time, men began finding the website and reaching out to me, admitting they were struggling with sexual sin and looking for help. I would tell them I wasn't a counseling service and didn't have many resources to offer beyond my own personal testimony.

As the years went on, more and more men reached out. My wife would often tell me, "You have an opportunity to help a lot of men," but my response was always the same:

"That's not for me."

It was never my intention to go into ministry or help men struggling with sexual sin. But in 2024, it was very clear that God was telling me to "Go."

That same year, The One Lost Sheep Ministries became a formal nonprofit. I never intended for this to become a full-time ministry either. But in October 2025, I faced a decision to either stay where I was or step out in faith and trust God to use me to help men who were struggling.

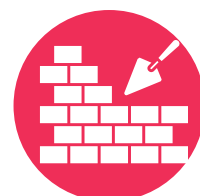

In January 2026, I stepped into full-time ministry with an initial goal of helping 100 men...

TESTIMONY

Pornography, like many men, had been a part of my life since I was in grade school. Starting from my brother showing me my first adult content, then discovering his “stash”, then getting a family computer, then owning my own computer. I was consuming it daily, constantly making excuses to avoid friends and responsibilities so I could consume as much as possible.

After moving to Kearney, NE to be closer to my now wife, I didn't know a soul and my addiction escalated quickly because I used most of my time consuming pornography. But by God's grace, I somehow got plugged into a men's Bible study. It was there I witnessed genuine confession for the first time in my life. It was so foreign to me but over time, the conduct of these young Christian men began to wear off on me.

After some time, I found the courage to confess my sin because I no longer wanted porn to be in my life. As a result, I confessed to about a dozen of my friends and to my surprise, not one judged me, made fun of me or anything I might have expected. Instead, they encouraged me, offered to help and showered me in grace.

But my story took a devastating turn. Because of my actions online, I reposted illegal content involving a minor. I was arrested, went to jail, and ultimately had to register as a sex offender. I thought my life was over. I thought I would never get married, never have a good job, and never have the life I had hoped for.

But God wasn't finished with me.

Today, I am married, have two beautiful children and have a purpose. I have a heart for men who are dealing with sexual sin. I know what it is like to live in secrecy, shame and bondage. I also know what it is like to experience the grace, forgiveness and freedom found in Christ. That is why I do this. I want other men to experience Christ the way I have.
